---

**Current Professional Employment**

2013-Present            **Psychological Center for Expert Evaluations, Inc.**  
*Clinical Director & Masters Level Student Clinician*  
As a social worker at this private practice, I have developed co-parenting education curriculum as well as a Supervised Visitation program that follows the Clearinghouse protocols and has been approved by ChildNet. In addition to program development, I also write relevant blogs for our agency website twice a week to keep our readers informed and up to date on various topics from court-involved therapy to parental alienation. Currently with supervision, I am able to provide therapy for individuals and families.

2014                      **15th Judicial Circuit/ Court Administration & Baker Act Court**  
*Masters Level Intern*  
As a masters level social work student, my duties included working with the chief deputy officer of the court administration in doing research for the new therapeutic courts. I was also involved in assisting Magistrate Diane Kirigin in Baker Act hearings. I educated families in the Baker Act process and frequently communicated with community based agencies to continue care for the individual involved in Baker Acts.

3307 Northlake Blvd., Suite 101, Palm Beach Gardens, FL 33403

2013

**Palm Beach County Drug Court**

*Masters Level Intern*

As a masters level social work student, my duties include screening possible participants for eligibility to enter the treatment program, orienting new participants into the program, meeting with individuals and their families regarding their struggles and concerns, as well as meeting with an interdisciplinary team that includes the judge, public defenders, state and private attorneys, treatment providers, clerks, and probation officers.

2012-2013

**Social Worker, Confident Care Corporation of Florida**

*Social Worker*

As a social worker for this home health company, I was responsible for evaluating needs in the home by providing patients and their family members with one-on-one guidance or to update family on overall care. As the only social worker in the office, I was also responsible for all patients with psychiatric illnesses and for hosting in-services on patient abuse, neglect, and exploitation. My average case load is about 45 psychiatric patients and 15 non-psychiatric.

2011-2012

**Social Worker, NuVista Living at Wellington Greene**

*Social Worker*

As a social worker at this skilled nursing facility, I was responsible for an average of 60-75 patients. My basic duties included biopsychosocial evaluations upon admission, discharge planning, meeting with patients and family on a weekly basis, and insuring the patient's received proper care during their stay. This position also required I meet once a week with an interdisciplinary team (doctors, nurses, physical therapists, occupational therapists and dietitians) to discuss and create treatment plans for each patient in the facility.

2011

**Social Worker, Bethesda Memorial Hospital**

*Bachelors Level Intern*

At my six month internship at this hospital my basic duties included discharge planning, assisting patients in a safe transition from the hospital to home with home health or durable medical equipment, as well as educating families on community resources that are available. My average case-load was about 30 and it consisted of the maternity unit and the intensive care unit.

Professional Associations

### **Professional Associations**

---

2013	Supervised Visitation Network (SVN)
2013	American Psychological Association (APA)
